

INCREASED AGILITY. REDUCED COMPLEXITY.

# Cloud Solutions

American Digital is a Chicago-based Enterprise IT solutions partner focused on data center and edge-computing transformation. Our experienced Professional Services team of solution architects, engineers, and project managers work together to help clients design and implement key enterprise IT solutions that promote efficiency, flexibility and growth.

The very definition of “cloud” can be a confusing and overwhelming topic. American Digital reduces this complexity with a full suite of cloud solutions using automated toolsets. Whether it be a public, private or hybrid solution, our consultants guide our clients to the best solution for their environment.
